“Firefighter George & Amazing Airplanes”

* Top Product for Enhancement of Educational Skills ****

* Top Ten Products for Social Responsibility *

*** 100 Best Children's Products 20054 ***

This is an **EXCELLENTLY PRODUCED VIDEO** that will help teach your child about airplanes in a language they can easily follow and understand. Join your favorite host Firefighter George on an educational journey where you will learn about airplanes and how they operate. The video includes boys and girls and has a great multicultural representation. Safety is emphasized throughout the video as a top priority. October is National Fire Safety Month when schools are running fire safety programs and parents are looking for educational safety tools. This DVD video is forty minutes long. This is a **GREAT** addition to your child's video collection and can also be used in the classroom.
